

Campaigns Workshop Application

The Campaigns Field is the centre of politics & protest at the Gathering – bringing together activists & academics to raise awareness around diverse social & environmental justice issues.

   @GGcampaigns

Workshop Proposal

We are most interested in active ongoing political campaigns & activist projects on environmental, social justice and related topics, the more workshops you can offer the better. Attach extra files if required

Do you have a stall?

We can provide stall shelter & table space

Are you willing to do your workshop(s) more than once?

How many tickets do you need?

Tickets are limited, we can accommodate children but no dogs. We are only able to offer vehicle passes to those with access issues.
